"Making Music Magic"

### AUGUST 4th THE SIMPSON THREE

Their show will have you laughing along at hilariously terrible sibling rivalry one second, and then will have your toes tapping along to crankin' tunes the next! They are all

# COMING UP AT PFC

## SEPTEMBER 1st ENDA KENNY

Enda Kenny is an Irish-Born songwriter who has made his home in Melbourne, Australia since the late 1980's. His thoughtful, descriptive stories of his adoptive homeland have struck a chord with festival audiences all over Australia and are always memorable and spiced with plenty of humour. Proud to sing of where he lives rather than where he left, he continues to grow his international audience with recent trips to Germany, Holland, UK, NZ and Canada.

Enda was a Guest Artist at PFC in February 2014 and September 2018 and we are delighted to have him back again

Enda has a new CD titled "KITCHEN BALLADS" and I am sure he will be happy to sell you a copy !!

I'm sure that it would make a great FATHER'S DAY present!!

(Hint..hint)

## OCTOBER 6th HAT BAND NIGHT

Yep, it will be on again.. Following the overwhelming success of the Hat Band Nights in the past, it will be on again in October this year!!

The aim is in order to get more folk on stage, and this means the excitement of working and rehearsing with different people!!

You need to express your interest at the next Club nights.

Groups will be formed by PULLING NAMES OUT OF A HAT!! (Is that how we get the name "HAT BAND NIGHT"??)

This will happen at the September Club Night, when we will pull names are drawn, and we see what groupings we come up with. Each group will then have a whole month to get a set together to perform in October

## NOVEMBER 3RD THE WEATHERED HEADS

The Weathered Heads are a foot-stomping country bluegrass band from Gembrook in Victoria. Formed 2008 this four piece band plays a mix of folk, country, old-timey & Americana music with an Australian streak and a tradesman touch! Comprising a mix of guitars, mandolin, banjo, dobro and electric bass, the Weathered Heads keep up a lively sound with rich vocal harmonies, raging banjo, meaningless banter, and hip-swaying rhythms. This is a band that will keep you smiling throughout their set
