### "Making Music Magic"

## SEPTEMBER 1st ENDA KENNY

Enda Kenny is an Irish-born songwriter who has made his home in Melbourne, Australia since the late 1980's. His thoughtful, descriptive stories of his adoptive homeland have struck a chord with festival audiences all over Australia and are always memorable and spiced with plenty of humour. Proud to sing of where he lives rather than where he left, he continues to grow his international audience with recent trips to Germany, Holland, UK, NZ and Canada.

Enda was a Guest Artist at PFC in February 2014 and Sept 2018 and we are delighted to have him back again

Enda has a new CD titled "KITCHEN BALLADS" and I am sure he will be happy to sell you a copy !!

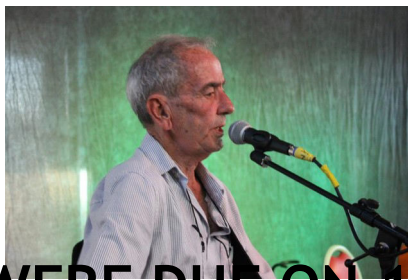

I'm sure that it would make a great FATHER'S DAY present!! (Hint..hint)

## OCTOBER 6th HAT BAND NIGHT

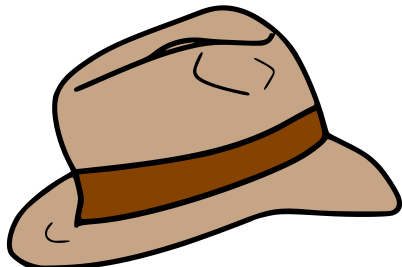

Yep, it will be on again.. Following the overwhelming success of the Hat Band Nights in the past, it will be on again in October this year!!

The aim is in order to get more folk on stage, and this means the excitement of working and rehearsing with different people!!

This will happen at the September Club Night, when we will pull names are drawn, and we see what groupings we come up with. Each group will then have a whole month to get a set together to perform in October.

You can register your interest in being part of this now.. Just text the Secretary on 0408 767 328, or email to [peterstanley7@bigpond.com](mailto:peterstanley7@bigpond.com).

Your early advice that you want to be involved will make it easier for us on September 1st, particularly if you may not be on hand on the night!!

## NOVEMBER 3RD THE WEATHERED HEADS

The Weathered Heads are a foot-stomping country bluegrass band from Gembrook in Victoria. Formed in 2008 this four piece band plays a mix of folk, country, old-timey & Americana music with an Australian streak and a tradesman touch! Comprising a mix of guitars, mandolin, banjo, dobro and electric bass, the Weathered Heads keep up a lively sound with rich vocal harmonies, raging banjo, meaningless banter, and hip-swaying rhythms. This is a band that will keep you smiling throughout their set

## DECEMBER 1st ..CHRISTMAS PARTY

We planning a different format this year (to keep everyone on their toes!!)

We will have an extended jam session from 4.00 until about 6.00 when our caterers will be supplying a sit down dinner with a choice of Roast Beef, Roast Chicken or a Vegan option..followed by sweets Entry for everyone on that night will be \$10, the club will be paying the difference. ## POSTING OF NEWSLETTERS

Over 250 Newsletters are sent via email, but there are a handful of folk who receive their copy by post (presumably they do not have email facility)

This is not a huge cost, but it is an expense that your committee has decided we can avoid.

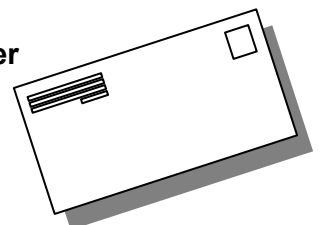

(also, apparently postage is about to rise)

So, if you currently receive a "hard copy" in the mail, you have 3 options.

1. If you give us an email address, we can send it electronically,
2. You can pick up a "hard copy" from the desk on the club night, OR
3. If you pay an annual fee of \$10 on top of your Membership subs to cover the cost, we will continue to post it.

Let us know what you want to do. The September Newsletters will be posted to the usual recipients as normal..

Here's some science... Singing has some of the same effects as exercise, like the release of endorphins, which give the singer an overall "lifted" feeling and are associated with stress reduction. It's also an aerobic activity, meaning it gets more oxygen into the blood for better circulation, which tends to promote a good mood.
